

Village of Ortonville

PUBLIC NOTICE

The Ortonville Village Council has approved an amendment to section 5.102 3. of the Village of Ortonville Zoning Ordinance to make the calculations for finding the allowed size of a residential accessory building simpler to calculate by removing the non-required and required rear yards from the equation and taking into consideration the entire rear yard.

Subsection 102 3. The proposed amendment reads as follows:

3. The total of all accessory buildings may occupy not more than twenty-two percent (22%) of a rear yard.

A public hearing was held at the regularly scheduled Planning Commission meeting on May 5, 2015, and the amendment was introduced by first reading at the Village Council meeting on May 26, 2015. The amendment was approved by second reading at the June 22, 2015, regular Village Council meeting. It will become effective on Monday, June 29, 2015.

To view a copy of the Village's Zoning Ordinance, you may stop by the Village office Monday through Friday, from 9 a.m. to 5 p.m. or go to www.ortonvillevillage.com to view and download a copy.
